

Boldens Basketball Club Inc. - Code of Conduct Acknowledgement Sheet

The code of conduct sets out the behaviours and values that all club members and their parents/siblings/related parties etc. are expected to uphold at all times. Club members are responsible for the adherence to the code of conduct of all related parties, even where those parties may not have read/acknowledged the code. This includes playing and non-playing minor children under their care, siblings, friends and relatives who may be present or involved in activities relating to the basketball club. Parents acknowledging the code do so on behalf of themselves, family members, children and all related parties.
